

Parenting Support Salon for Foreigners

Honey Bee 2025

Interpreters
are available.
English/Chinese
Vietnamese/Nepali

“Honey Bee” is a place where moms, dads, and their kids from various countries gather. You can consult about parenting or hear about the parenting system in Japan. We have a children’s play space and foreign picture books. Feel free to come and play!

Come join us on
any of these days!

Date	Topic	Place
Wednesday, April 30	<u>About Japan’s Support System for Child-Raising</u> (Child Allowance, Child Health Checkup, etc) <u>About Nursery School</u>	Minami Ward Office Auditorium, 2nd Floor

Please read before coming

- You are responsible for your child/children's safety while they're here. You are also responsible for your child/children's hygiene.
- Honey Bee will be closed on days when there is a severe weather warning like heavy rainfall, storm, heavy snowfall, etc. at 6:00 a.m..
- No eating or drinking is allowed except for hydration.
- Please bring everything your child/children need when you come. (Disposable diapers, wipes, hydration, a towel, trash bags)
- Please take your disposable diapers and other trash home with you.
- If your child/children have a fever or are not feeling well, we ask you to stay home.
- Please remove your child/children's socks before playing.
- Please follow all the rules of the space.
- In case of an earthquake or other natural disaster, please follow the staff's instructions.

**We also have nursery
school teachers.**
