

Hazard Map

Nishi Ward

(Descriptions)

The flooded areas, flooding depths and durations shown in this map were calculated assuming a storm surge caused by a typhoon (central pressure 910 hPa, radius 75 km, speed 73 km/h) with a pressure equal to Typhoon Muroto — the largest typhoon ever to hit Japan, passes along the most critical points in the Mikawa Bay and Ise Bay coast.

The flooded area as well as the depth and duration of flooding are only assumptions. Flooding may occur at a larger scale depending on a variety of factors.

This map was created based on the storm surge flooding area map published by Aichi Prefecture in June 2021.

The shaded areas are outside Nagoya City.

Evacuation to Designated Emergency Evacuation Shelter

Please evacuate to a designated emergency evacuation shelter according to the type of disaster if you are in danger (especially when evacuation information (evacuation instruction, etc.) is released and you cannot stay at home to save your life. Otherwise contact the ward office in advance to confirm the place you are going is safe if you intend to evacuate on your own command.

Nagoya City Disaster Countermeasures Office / Nishi Ward Headquarters (Nishi Ward Office)
Tel: 521-5311 (Main) 523-4511 ~5 (Direct) Fax: 522-5049

Legend	
	Designated Emergency Evacuation Shelter: Places where you can take refuge from the danger of a flooding disaster in order to save your life.
	Underpass: Areas where heavy rain will cause roads to be flooded and closed to traffic.
	World Boundary: City limits are approximate; these connect the approximate city limits by boundary information from contact the respective ward office for information.
	Designated Emergency Evacuation Shelter outside the ward

Public Offices (Marked as □)	
A	Nishi Ward Office
B	Nishi Ward Office Yamada Branch
C	Nishi Fire Station
D	Nishi Fire Station Oshika Branch
E	Nishi Fire Station Yamada Branch
F	Nishi Fire Station Onogi Branch
G	Emergency Task Forces 2
H	Nishi Public Works Office
I	Waterworks & Sewerage Bureau
I	Nishi Service Station
